JOINT MOTION TO CONTINUE TRIAL DEADLINES

The parties jointly respectfully request that this Court continue the trial deadlines currently set for September 20, 2021 until October 4, 2021. Currently, the Fifth Amended Scheduling Order has the following items listed for September 20, 2021:

- Parties to file any replies to responses to pretrial motions;
- Parties to file trial briefs;

- Parties to file proposed jury instructions, proposed verdict forms, and requested voir dire;
- Each party to file its witness and exhibit lists for trial.

The parties request these deadlines be continued until October 4, 2021. As a result, the parties further request that the deadline for parties to file any objections to proposed jury instructions, proposed verdict forms, and proposed voir dire, be reset from September 27, 2021 to October 12, 2021.

This change in the deadlines will allow the parties additional time to prepare their filings, as well as give them an opportunity to gauge how the restrictions in the next MGO will affect the parties' respective presentations.

Respectfully submitted this 16th day of September 2021, in Anchorage, Alaska.
